

NILOU JAY S. FERNANDEZ

IT Educator & EDP Specialist | Information Technology Instruction & Systems
Purok 5-A, Maravillas, Poblacion, Hagonoy, Davao del Sur 8006, Philippines
Mobile: 0951 794 0672

PROFESSIONAL SUMMARY

Information Technology educator and licensed EDP Specialist (Computer Programmer) with over seven years of combined experience in higher education instruction, systems/programming, and government statistical operations. Currently serving as a college faculty member delivering BSIT coursework while completing a Master of Science in Information Technology. Proven ability to design and deliver technical curricula, mentor students in programming and systems concepts, and adapt quickly to evolving educational technologies, including AI, blockchain, and low-code platforms such as Odoo. Holds a Career Service EDP Specialist (Computer Programmer) Eligibility with a rating of 87.19%, along with an active record of continuous professional development spanning cybersecurity, digital transformation, and project management fundamentals. Recognized for reliability, technical adaptability, and commitment to student learning outcomes. Seeking to bring a strong foundation in information technology education and systems knowledge to a progressive academic or IT-driven organization.

CORE COMPETENCIES

- Information Technology Instruction
- Computer Programming
- Records & Registration Management
- Technical Training Facilitation
- Student Mentoring & Assessment
- Curriculum Development & Delivery
- Systems Analysis & Design
- Research & Academic Presentation
- Cybersecurity Awareness
- Government Statistical Operations

TECHNICAL SKILLS

Computer Programming & Software Development • Odoo ERP Fundamentals • Data Analytics Fundamentals • Microsoft Office Suite • Google Workspace for Education • Systems/Data Management • Basic Blockchain Concepts • AI Literacy & Application (Hour of Code / AI Class) • IT Customer Support • Cybersecurity Fundamentals

PROFESSIONAL EXPERIENCE

Part-Time Instructor

August 2025 – Present

Davao Del Sur State College • Part-Time

- Deliver Information Technology coursework to college students, translating complex technical concepts into accessible, engaging lessons.
- Design instructional materials and assessments aligned with current industry practices in programming and digital systems.
- Maintain active engagement with emerging technologies (AI, low-code platforms) to keep course content current and relevant.

BSIT Full-Time Faculty

August 2022 – May 2026

Polytechnic College of Davao Del Sur • Full-Time

- Served as full-time faculty for the Bachelor of Science in Information Technology program, handling a full instructional load across multiple IT subjects.
- Developed and delivered structured lesson plans, laboratory exercises, and assessments that strengthened student proficiency in programming and systems concepts.
- Advised and mentored BSIT students on academic projects, research initiatives, and career readiness.

- Collaborated with fellow faculty to align curriculum with evolving industry and licensure requirements.

PSA Registration Officer

2020 – 2021

Philippine Statistics Authority

- Managed civil registration and statistical data processes, ensuring accuracy and compliance with government standards and procedures.
- Handled records processing and public-facing transactions, strengthening administrative and customer-service capabilities within a government agency setting.

BSIT Faculty

2018 – 2019

Cor Jesu College Inc.

- Taught undergraduate Information Technology courses, building foundational programming and systems knowledge among BSIT students.
- Supported department initiatives in curriculum delivery shortly after completing the BSIT degree program at the same institution.

Student Assistant

2014 – 2018

Cor Jesu College Inc.

- Provided administrative and technical support to the college while completing undergraduate studies, developing early workplace and organizational skills.

EDUCATION

Master of Science in Information Technology
